# NOTHING TO REPORT FROM THE MARINE.....

**June is now behind us. Nationally, it was a very eventful, if not historic month.**

We saw the nation vote to leave the EU, resulting in the resignation of David Cameron .

**In sport:** There was a remarkable series victory for the England rugby union side in Australia, beating their hosts three matches to nil...

Prior to Wimbledon starting, Andy Murray became the first man to win the Aegon Championships title at the Queen's Club 5 times...

The Wales football team (at the time of writing) were progressing well in the European Championships whilst, sadly, the England side slipped up on the Iceland fixture and went out of

the competition. Hungary did well but were narrowly beaten by Belgium!...

So what is there to tell you about locally? What great events can we reveal that have happened, or are about to happen?

Well...we had the annual Lyne Village Fete on Saturday 18<sup>th</sup> June and guess what? **There was hardly any rain!!**

As to news from The Royal Marine; there is none!

This months "Newsletter" is therefore not a newsletter ....(I've found it difficult enough waffling through this cover page!)...It is a "Funletter".The contents are just to amuse, entertain and puzzle you.

**So please enjoy.**

My neighbours are listening to great music. Whether they like it or not.

It is important to make breaks between individual exercises. I personally stick to breaks of about 3-4 years.

Sometimes I drink water - just to surprise my liver.

Hearing voices in your head is normal. Listening to them is quite common. Arguing with them – acceptable. It is only when you lose that argument that you get in real trouble.

Of course I have a talent. I'm really good in bed. Sometimes I sleep more than 9 hours in one go.

"If I wanted to commit suicide, I would climb up to the height of your ego and jump down to your IQ level."

"Laugh and be happy, it could be worse!"... and so I laughed and was happy and it really became worse.

Sometimes it's time to lay on the couch and do nothing at all for two years.

Organized people are simply too lazy to search for stuff.

My relationship is like an iPad. I don't have an iPad.

I am nobody. Nobody is perfect. I am perfect.

As long as cocoa beans grow on trees, chocolate is fruit to me.

There are people who are a living proof that total brain failure does not always lead to physical death.

I'm aware that the voices in my head aren't real. But their ideas are just awesome sometimes!

Somebody said today that I'm lazy. I nearly answered him.

I'm not lazy. I'm just naturally a very relaxed person.

You can only be young once. But you can enjoy being infantile forever.

No thanks, I didn't fight my way to the top of the food pyramid to become a vegetarian.

Intelligence is like undies. Good to have it, no need to show it off.

It is usually better to shut up and let people suspect that you're stupid than to say something and remove all doubts.

I weighed myself today. It is clear I am too small for my weight.

If a man said he'll fix it, he'll fix it. There is no need to nag him every 6 months about it.

If a bra is called 'over the shoulder bolder holder', men's underwear should definitely be known as 'under the butt nut hut'.
